KOLAB ENTERPRISE

A suite of powerful communication tools that give you complete control over your data...

...collaborate in confidence >>

EMPOWER YOUR BUSINESS, YOUR WAY, BY SWITCHING TO KOLAB ENTERPRISE.

Kolab Enterprise provides a flexible and efficient solution to liberate your cloud strategy with full support for all types of cloud hosting; on-site, public, private, hybrid but most importantly: secure cloud hosting. Enjoy professional ongoing support and advice, to ensure you get a tailored solution that fits around the way you want to run your business.

SECURITY & ARCHITECTURE

Kolab is engineered for security and scalability, two key attributes that contribute to enterprise success.

FLEXIBLE INFRASTRUCTURE

A collaboration suite should work seamlessly with existing IT infrastructure rather than dictate it. Kolab is built to be integrated with file storage, directory service, mail delivery systems and many other available applications.

The diagram to the right is just one small example of how Kolab Enterprise can streamline your business...
